

CANDIDATES FOR THE FIRST ANNUAL ORATORY CONTEST

University and High School
Preliminaries Yesterday.

LAWRENCE ILFELD FOR VARSITY
MISS SACKETT FOR HIGH SCHOOL

Two very interesting events were the preliminary contests in the High school last night and the University preparatory school yesterday morning, in which candidates won the right to represent the two institutions named in the first territorial oratorical contest to be held next Tuesday night in Elks' theatre.

A very close decision was necessary in the University preliminary held yesterday morning in the University assembly hall. Lawrence Ilfeld won the honor by a narrow margin, the other contestants, Elwood Albright and Errett Van Cleave receiving high commendation from the judges.

The winner had for his subject, Abraham Lincoln and the effort was carefully prepared and well delivered. Mr. Albright spoke on "Optimism," and Mr. Van Cleave on "Man and the Machine." All three of the orations were creditable in the extreme, and if the orations in the final contest are up to the standard of the preliminaries, the occasion will be an interesting one.

The judges were Messrs. Hodgkin, Angel and Espinosa, of the University faculty.

Miss Elsie Sackett won the honor of defending the Albuquerque High school in the coming oratorical contest in the preliminary contest held in the assembly hall of the High school last night. Like the winner in the University preliminary contest, Miss Sackett took for her subject, "Abraham Lincoln," and handled it so well that she won not only the approval of the judges, but the hearty applause of the considerable audience.

In addition to winning the honor of defending her school in the important contest, Miss Sackett won a \$10 cash prize, offered by Dr. B. H. Briggs, of the board of education.

A second award was made by the judges to Sam Ho Kee, whose subject was "Statehood for New Mexico," a subject which the young man handled as well as to prove him a first class citizen of the United States in spite of his Oriental ancestry.

The other contestants were Miss MacDonald and Miss Kemerer, both efforts being commendable.

The judges were the Rev. E. E. Crawford, George H. Klock and M. E. Hickey.

The orations were of a high character, and show that the High school is not likely to be distanced in the final contest.

UNIVERSITY TEAM WINS FROM THE INDIAN SCHOOL

In an indifferent game of basketball, before a first class crowd, the young ladies from the University defeated the Indian school basketball team in the Casino last night, by a final score of 9 to 4. From the start the game belonged to the University team, the young ladies from the hill having the advantage of weight and height, although the team from the Indian school played better basketball from a technical view. At the end of the first half the game stood 1 to 7 in favor of the University. The Indian school team taking a slight brace in the second half. A pleasant hour of dancing followed the game.

There is no disputing the fact that a man's heart is often reached through the stomach. Happy the housewife who can please her husband's appetite with well cooked food for the table. Many a man is groggy, ugly, nervous, suffering from indigestion after eating, heart palpitation, and all through the overworked stomach.

Dr. Pierce's Golden Medical Discovery, which helps the digestion of food in the stomach, assists the blood in taking up the proper elements from the food, helps the liver into activity, thereby throwing out the poisons in the blood and vitalizing the whole system. This assimilation helps in the oxidation of the red blood corpuscles, the poisons in the system are eliminated, the heart gets the right kind of blood and the person feels invigorated and stronger in consequence. As a tissue builder it is far preferable to cod liver oil or any alcoholic compound of tonics, because it cleanses the blood and the tissues the food elements they require and maintains a person's nutrition by enabling him to eat, retain, digest and assimilate nutritious food. It overcomes the gastric irritability and symptoms of indigestion. Because of the good effects from using Dr. Pierce's Golden Medical Discovery upon nutrition and the building up of the tissues, catarrh, consumption, weakness or debility and symptoms of fever, night-sweats, headaches, etc., disappear.

"I believe that it is generally conceded that Dr. Pierce's Golden Medical Discovery is the best medicine for a man to take suffering from indigestion, kidney trouble, or any of the afflictions resulting from overwork or neglecting a cold," writes J. Russell Hill, of 33 Barrie street, Kingston, Ontario, Recording Secretary Imperial Knights' Federation League of Kingston. "I have used it several times during the past few years and have always found that it gave me immediate relief. It expels excessive acid in the system, does to improve digestion, relieves the kidneys from congestion, drives headache and backache away, induces appetite and tones up the general system. I can now build up a run-down condition of the system."

AGONY CONTRACT

For one of those beautiful 50-foot lots in the Eastern Addition Highlands

will make a dandy Christmas present—one that will increase in value right along—can't be burnt up or stolen, and in a few years will be a good start for any young man or woman.

Only \$10 down, balance \$1 per week

On January 1st we will withdraw all unsold lots from the market for a time.

Phoenix now has a 50,000 club. Albuquerque should have a 75,000 one.

Snow at Stanton.
Five inches of snow fell at Fort Stanton last week.

Suspected of Texas Murder.
Pedro Garcia, who is held in the county jail at Tucson, is suspected of being the murderer of a Texas ranger. He fits the description closely. Garcia was arrested in Silver Bell by Deputy Sheriff McEwer.

John M. A. Rudolph has been appointed postmaster at Rociada, San Miguel county, New Mexico, to succeed V. F. Martinez, resigned. James F. Mullen has been selected for the office at Milagros, Bernalillo county, in the place of M. G. Nelson, who declined reappointment.

Jerome Gets the Lid.
The city council of Jerome recently passed an anti-gambling ordinance that prohibits the running of any game of chance after January 1 next. The municipal authorities will endeavor to enforce that order, so it is said, and refuse to issue a license to that end.

Bazar at Las Vegas.

The Las Vegas Fair association has decided to give a bazar of nations to last for ten days, early in the year. The association owns Gallinas park and the property has not been entirely paid for. It is hoped to raise several thousand dollars in this way and to cancel the indebtedness.

Swiped a Slicker.

Tired and worn out after a long trip but determined not to give up the chase until they have landed their quarry, Arizona Rangers Holmes and Edwards arrived in Phoenix Thursday night from Roosevelt, hot on the trail of Frank White. White is wanted at Roosevelt on the charge of stealing a team of horses, a slicker, an overcoat and several other articles.

Quay County Settlers.

There was a party of about thirty people, prospective settlers, came in this week from Oklahoma, Indian Territory and other sections of the country to look at Quay county lands, says the Tucumcari News. The editor of this paper has met and talked with many of them and they have without exception expressed themselves much pleased with the country. Among the number calling on the News were R. A. Waller, Mrs. Waller, Mrs. M. Tremble, Miss Bonnie Crawford, and Uncle Dave Ballou, as the party introduced him, all of whom were members of Rev. Hedgepeth's congregation at Broken Arrow, I. T., last year. They were, of course, being introduced by him to Tucumcari. The Commercial club ought to get busy now and show these people the country and help them to get located.
